

OUR MISSION

Spiritual Outreach Supports helps people in crisis by putting faith into action. We offer spiritual care through prayer and encouragement, and connect individuals to emergency housing, food, hygiene items, and other essential resources. Our mission is to meet urgent needs while guiding people toward healing, stability, and hope.

“Consider us your foster family of support. SOS is not a mental health agency or a church, but a lifeline that keeps you afloat while you wait for these resources. We provide a compassionate community to guide and support you on your therapeutic and spiritual journey.”

Daron Thomas, Executive Director
